- Accidental Total and Permanent Disability Benefit (“ATPD”)

The Benefit Option(s) under this Rider can be opted along with Your Base Policy at inception or on any subsequent Policy anniversary occurring during the premium payment term of the Base Policy.

Since this is an Accidental Death and Disability Rider, we have defined ‘Accident’ as sudden, unforeseen, and involuntary event caused by external, visible and violent means.

### Accidental Death Benefit (ADB) option

Under this option, if the person whose life is covered by this benefit option (known as the Life Assured) passes away, due to an accidental death which happens within the Coverage term such that death happens 180 days from the date of accident, the sum assured for ADB will be paid out as a lump sum to the person specified (known as the Claimant) in the policy, provided the benefit option is in-force as on the date of the accident. Sum Assured available under Accidental Death Benefit option will be up to three times the Sum Assured on Death at inception for the base policy.
